Budget Follow Up and Management Meeting Update – at Monthly Management meeting, Dept. leaders reviewed the follow up task list which emerged from the Budget process. Departments made modifications and the items will begin coming forward.

This table of projects will be tracking mechanisms which we will utilize to continue to bring back items and information to the Board. The meeting was well attended and we had the new HR Director/Risk Manager, EMS Manager, Assessor and the return of Public Health Director all present. Great group of folks very energized about continuing to build the best services.

2. On-the-Job Training Program: Hire, train, get reimbursed - Does your business require full-time, specially-trained employees for permanent work? Mono County currently has access to funding through the Workforce Investment Act (WIA) to assist employers with On-the-Job Training (OJT) of new employees for full-time, permanent positions, offering at least 32 hours per week. OJT offers personalized services designed to benefit employers who are not able to fill their labor force needs with currently skilled workers. The OJT program enables qualified businesses to hire eligible employees, provide them with the training required for the job, and receive reimbursement for a portion of that

employee's wages for up to a 3-month period. Employers may use OJT to hire new employees with skill levels ranging from entry level to experienced professional. Click on the links below for program details and eligibility factors.

To find out more about the OJT program and whether your business is eligible, please contact Mono County Career Services Center at (760) 924-1788 or e-mail us at csc@mono.ca.gov. Additional information and program brochures can be found at:

Social Services

Walker-Coleville Residents step up as Red Cross Volunteers! - Thank you to 24 Walker/Coleville area residents who are newly certified Red Cross Volunteers. When disaster threatens or strikes, we count on these volunteers to open emergency shelters for local residents and stranded travelers. Shelters provide disaster victims with a secure place to gather, along with emergency food, basic supplies, and access to other services, including health and emotional support. Mono County has identified 14 locations across the entire county to open as Emergency Shelters in the event of a disaster.

To learn about becoming a Red Cross Volunteer, call 760-924-1793. No experience necessary!

Short-term Commitment, Long-term Gain - Many prospective foster parents are interested in becoming a parent but can't commit to providing long-term care or adoption. That's okay!

Local foster children need good foster parents of all types; those who can care for a child short-term, on an emergency only basis, as well as those who can provide long-term care. Children come into foster care when their birth families are unable to care for them for a variety of reasons. We support you in becoming successful foster parent, each step of the way.

Learn more by attending the upcoming Foster Parent Orientation Meeting, October 1, 2013, Mammoth Sierra Center Mall, 5:30pm-7:00pm.

Sheriff's Office

Sheriff Office update:

1. Several members of the Sheriff's Office attended Dr. Mike Karch's 'mass casualty' training this past Wednesday evening. It was a very informative class dealing with possible large incidents that could inevitably happen in Mono County.
2. The Sheriff's Office had radio issues the past several weeks / months. This week Nielsen's radio service finally was able to diagnosed the problem, which was a power supply issue. Since then radio issues have diminished.
3. This week we had a PSO who was on training, came forward and advised us that she didn't feel she could handle the extreme multi-tasking that the PSO position requires. The employee was offered her previous position which was a court screener to which she accepted. The now open position of PSO will be ultimately filled as we have started a background process on an applicant from the current hiring list.
4. Jennifer Hansen was asked by the California State Sheriff's Association to do a 4 hour block presentation on the topic of Public Information Officer and responsibilities of such. This presentation was done at the CSSA yearly conference for PIO's this week. Our office is very proud of Jennifer's work, and CSSA evidently is too.
