TIPS FOR
CALIFORNIA'S MILITARY AND OVERSEAS VOTERS

Taking part in elections is more convenient than ever for Californians serving in the military or living outside the United States. It begins when you register to vote as a military or overseas voter and receive election materials by mail, fax or email.

• **Start early.** California's county elections officials begin sending ballots to military and overseas voters 60 days before Election Day. Fill out a voter registration application early at *RegisterToVote.ca.gov* to ensure that you receive your voting materials in time and can return your voted ballot by Election Day.

• **Know your options.** When registering to vote as a military or overseas voter, you can choose to have your ballot mailed, faxed or emailed to you. You may return your voted ballot to your county elections official by mail or, in certain circumstances, by fax. If you meet the requirements to return your ballot by fax, you must also fax the Oath of Voter form (available from your county elections official) waiving your right to a confidential ballot.

• **Stay in touch.** Once you register as a military or overseas voter, you will continue to receive a ballot and election materials from your county elections official before each statewide election. However, you will need to re-register to vote if you change your address, your name, or your political party preference, or if you do not participate in four consecutive statewide general elections. Visit *www.sos.ca.gov/elections/elections_mov.htm* for more election resources designed especially for you.
