

# SONORA JUNCTION SHOULDERS PROJECT FULL CLOSURE

September 4 to September 19

What's being planned:

Caltrans will **fully close** U.S. 395 between Bridgeport and State Route 108 from September 4 to September 19 so crews can install two wildlife undercrossings within the Sonora Junction Shoulders Project.

View the map on the back of this page to see the detour around the project area. For more information about the project, scan here:
